Housing Case Manager

Description

The Housing Case Manager plays an essential role in helping the guests of Good Samaritan Haven. Case Manager will meet with guests to help them identify life priorities and develop a plan for achieving these priorities. The plan will place emphasis on achieving the housing and support needed for the guest to live successfully in the community. Secondary support may include recovery support and/or fostering connections with other service partners to ensure overall health, well-being and life skills are being realized. For as long as the guest stays with Good Samaritan Haven the Case Manager will continue to foster a productive working relationship with the guest to help them achieve their goals.
